

LET'S KICK ASTHMA

**August
17, 2024!**

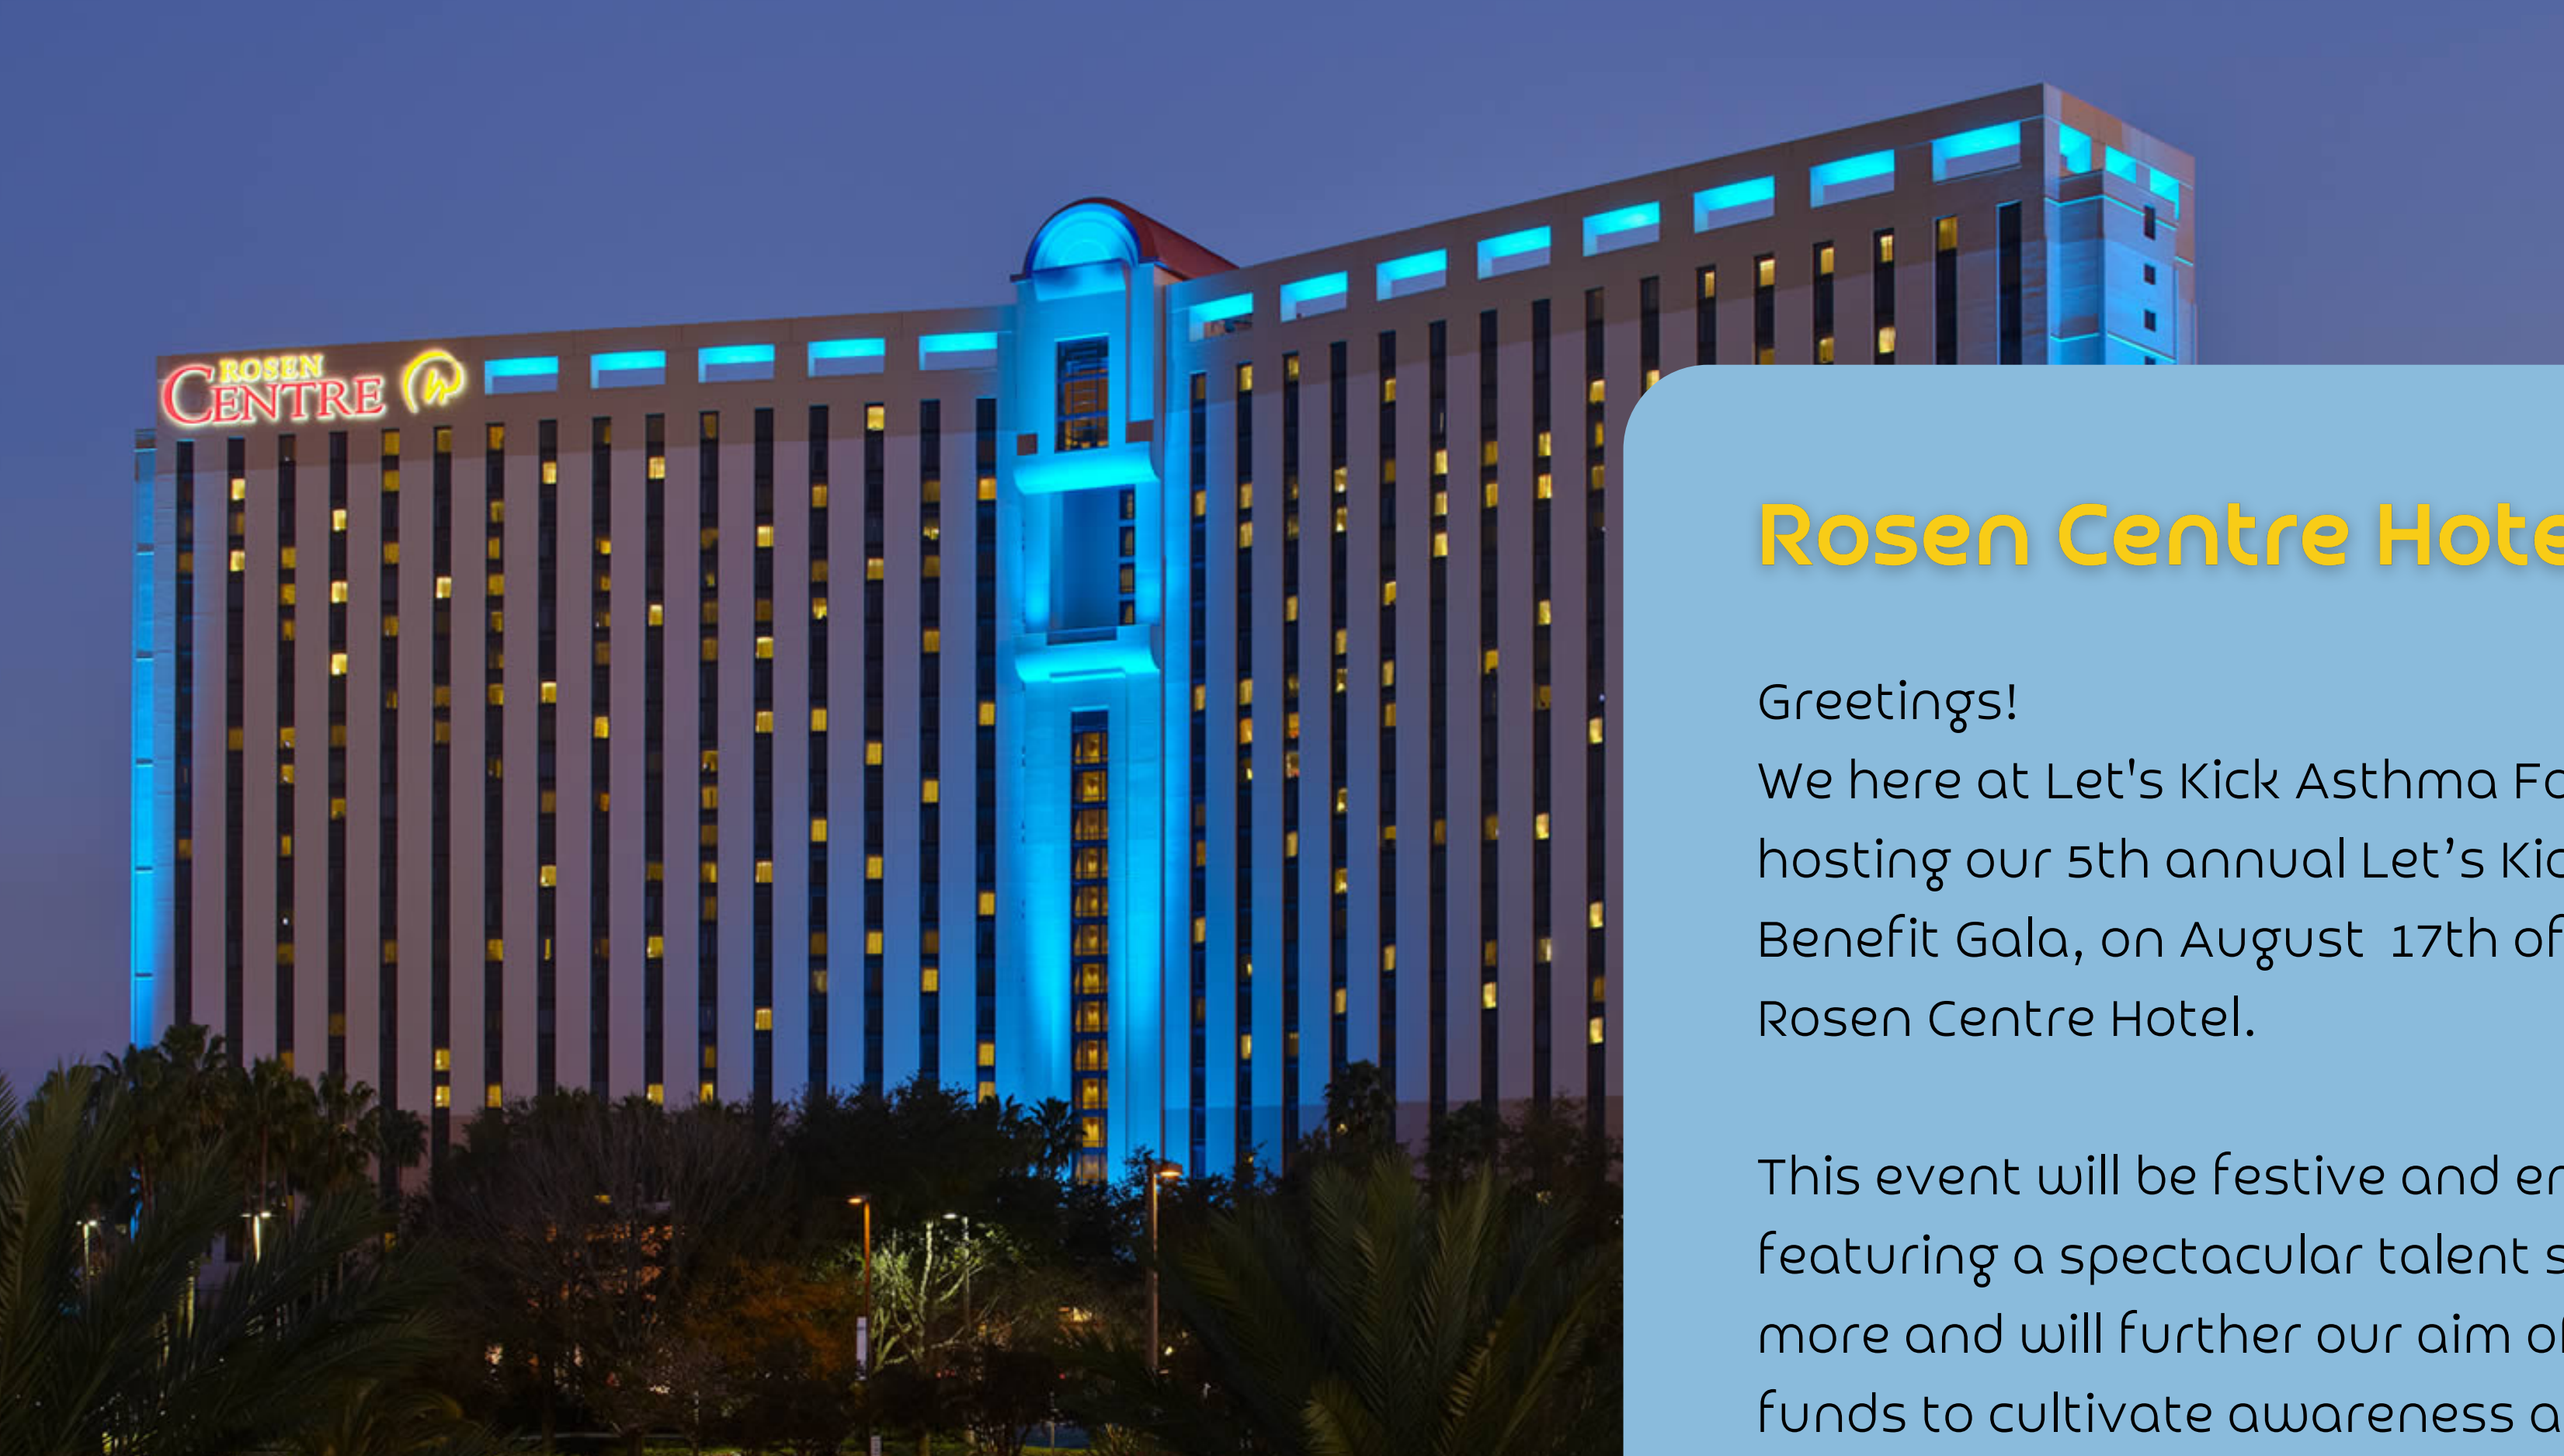

Foundation Presents

5TH ANNUAL

Benefit Gala

Proceeds will help support asthma outreach programs.

SPONSORSHIP PROPOSAL

Rosen Centre Hotel

Greetings!

We here at Let's Kick Asthma Foundation are hosting our 5th annual Let's Kick Asthma Benefit Gala, on August 17th of 2024 at the Rosen Centre Hotel.

This event will be festive and entertaining, featuring a spectacular talent showcase and more and will further our aim of raising funds to cultivate awareness and offer assistance to Asthma patients & their loved ones.

Event Overview

Let's Kick Asthma's 5th Annual Gala will be fun, safe and purposeful! The entire night is sure to uplift with a talent showcase including a wonderful display of gifted dancers, singers, spoken word and more! Dinner will be served and a good time will be had! Come prepared to enjoy your night and support a good cause that will help to benefit asthma patients and families in Central Florida!

Your tax-free donation will help provide educational and financial support to those struggling with asthma in our local communities

Our Mission

Hi! My name is JoJo O'Neal, President of the Let's Kick Asthma Foundation, Inc. A bit about our mission! The Let's Kick Asthma Foundation brings asthma patients and their loved ones together in a space where they can be empowered and educated to improve their quality of life while living with asthma and other pulmonary diseases. Through support groups and outreach services, the Let's Kick Asthma Foundation is the go-to resource to assist asthma patients with whatever their specific needs may be. Our mission includes outreach services for asthma patients such as assistance with house cleaning, running errands, paying for medications, etc.

We provide a space where asthma patients can cope with setbacks, know what services are available to meet their needs and have access to information on new asthma therapies as well as meet with medical professionals to address questions and concerns.

As a 501(c)(3) non-profit organization, the Let's Kick Asthma Foundation relies on the support of individuals and businesses like yours to help support our programs. Your tax-deductible donation to this annual event will help us provide educational and financial support to those struggling with asthma in our local communities. Thank you!

Jojo
